Lesson 6 Summary - Export Certification Process

1. IPP receives and verifies the applicant's completed 9060-6 and related documentation.
2. IPP issues a 9060-5.
3. Applicant completes the 9060-5 and the IPP confirms it.
4. IPP issues an export stamp and the applicant affixes it to the product containers.
5. IPP re-inspects the stamped items for compliance.
